

Dear parents,

It is Diwali holiday, a time to relax and celebrate as well as fruitfully occupy the children in various scholastic and co-scholastic areas. Keeping this in mind, our teachers have designed interesting Projects / Assignments for children to be completed during the Diwali break This would encourage in-depth learning, strengthen concepts and prepare ground for improved academic output.

As parents, kindly motivate and lend support to your children and ensure that children will complete the given work well-in-time and to the best of their ability. Your encouragement can actually make a huge difference to the ultimate learning outcome of these projects. We would be happy if parents encourage children to work on their own.
